SANGEETHA SARAVANAN

I'm currently pursuing my Bachelor of Technology degree in Aritificial Intelligence and Machine Learning. I've done major in computer science in my high school. Iam passionate about Machine Learning. Also exploring new technologies and an Enthusiastic coder.

History of my EDUCATION

R.M.D Engineering College(2023-2027)

I am currently pursuing a Bachelor of Technology degree in Artificial Intelligence and Machine Learning at R.M.D. Engineering College. This program provides me with cutting-edge knowledge and practical skills in AI and ML, preparing me for a dynamic career in the tech industry. The college offers excellent facilities and experienced faculty, contributing to a comprehensive and enriching educational experience.

High school academy

Velammal Matriculation Higher Secondary School(2021-2023)

I completed my high school education at VMHSS in 2023, where I majored in computer science. This program provided me with a solid foundation in computing principles, programming languages, and problem-solving techniques, which have been instrumental in my further studies and interest in the field of technology.

WORK & PROJECT

Web Development •

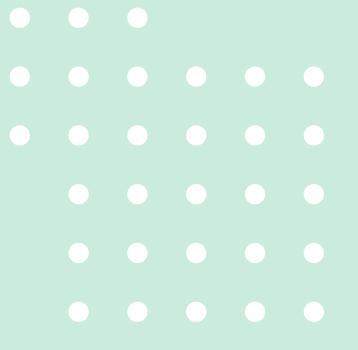

Completed various projects at Internpe Organisation in Web development.

Java Development

Solved many problems at Codsoft in java development.

***** UI/UX Designer

Currently learning and exploring new things in User Interface and User Experience at CodTech Solutions.
